ACCSC Student Notification

Orion Institute - Accreditation Status Update

Orion Institute would like to inform students and prospective students that the **Accrediting Commission of Career Schools and Colleges (ACCSC)** has placed the institution on **Warning status** as of **March 6, 2026**.

A Warning is a monitoring action used by ACCSC when additional information or documentation is requested from a school to confirm continued compliance with accrediting standards. Orion Institute **remains accredited during this period** and continues to operate normally while providing educational services to students.

The Commission's request focuses on additional documentation related to:

- The school's internal processes for verifying graduate employment outcomes
- Administrative staffing and management continuity within the institution

These items relate to **administrative reporting and documentation processes**, and Orion Institute is currently preparing the requested information to demonstrate continued compliance with accrediting standards.

The Commission has scheduled a subsequent review of Orion Institute's response at its **May 2026 meeting**.

During this time:

- Orion Institute **remains accredited by ACCSC**
- All academic programs **continue to operate as scheduled**
- Students **may continue their education without interruption**

Orion Institute is committed to maintaining the highest standards of education and compliance with accrediting requirements.

For additional information regarding the Commission's summary of this action, please visit the ACCSC disclosure page:
